1. The Parties shall co-operate to strengthen the abilities of existing and new FANRPAN network members to serve as sources of innovation and dissemination in the Country and Southern Africa through the establishment of joint activities between relevant organisations of the Parties. This shall allow FANRPAN to assist in the optimal utilisation of resources for the benefit of the poor in the Southern African region and to involve personnel from outside the region in activities in other countries where FANRPAN operates.
2. In furtherance of the common objectives referred to in sub-Article 1, the Parties shall co-operate to ensure that research projects undertaken in co-operation with scientific departments, agencies, boards, institutions, groups or universities of the Country are in accordance with the strategies, policies and priorities of the Country, the provisions of this Agreement and the mandate of FANRPAN as a policy network with a regional mandate to contribute to the generation and use of knowledge which fosters sustainable and equitable agricultural development.
3. Subject to the provisions of this Agreement, FANRPAN may enter into Memoranda of Understanding and Collaborative Agreements with other entities mentioned in sub-Article (2) in pursuit of the objectives referred to in Sub-Article (1).

4. It is understood that FANRPAN shall seek to promote regional collaborative research, professional development and capacity building in the Southern African region, with the consent of the relevant Southern African States.   - (c) Publications based on joint programmes and collaborations may be issued jointly or separately, as agreed between the Parties. When published separately the Party publishing any findings shall give credit to the other Party's contribution but shall be entirely responsible for all interpretations and conclusions reported.

### ARTICLE 3

However, to the extent that the FANRPAN provides specific services to the Government, the pro-rata expenditure may be reported as assistance to the Government.

**ARTICLE 6**  
**JURIDICAL PERSONALITY**

The Government recognizes the juridical personality of FANRPAN and in particular its capacity:

- (a) to contract;
- (b) to acquire and dispose of immovable and movable property; and
- (c) to institute judicial proceedings.

**ARTICLE 7**  
**INVIOABILITY OF THE OFFICE**

1. The Office and its archives shall be inviolable and the FANRPAN's property and assets, wherever located and by whomsoever held, shall enjoy immunity from every form of legal process, except insofar as in any particular case immunity shall have expressly been waived. Waiver of immunity from legal process shall not be held to imply waiver of immunity in respect of any measure of execution, for which a separate waiver shall be necessary.
2. No officer or official of the Country or person exercising any public authority within the Country, shall enter the Office to perform any duties therein except with the consent of, and under conditions approved by the Chief Executive Officer. **ARTICLE 9**  
**FINANCIAL TRANSACTIONS**

Without being restricted by financial controls, regulations or moratoria of any kind, FANRPAN may, in order to carry out its activities:

- (a) hold funds and currency of any kind and operate accounts in any currency; and
- (b) freely transfer its funds and currency to and from the Country, and convert any currency held by it into any other currency.

**ARTICLE 10**  
**COMMUNICATIONS**

1. FANRPAN shall enjoy, for its official communications, treatment not less favorable than that accorded by the Government to any other government, including the latter's diplomatic mission, in the matter of priorities, rates and taxes on mails, cables, telegrams, radiograms, telephotos, telephone and other communication, and press rates for information to the press and radio.
2. No censorship shall be applied to the official correspondence and other official communications of FANRPAN.

**OF SOUTH AFRICA****CUSTOMS TARIFF APPLICATIONS****LIST 6/2006**

The International Trade Administration Commission of South Africa (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comment on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001, within six weeks of the date of this notice. **CONFIDENTIAL INFORMATION**

*The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.*

*These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:*

- Each instance where confidential information has been omitted and the reasons for confidentiality;*
- A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential*

*information; and*

- *In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

*This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties. The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.*

*If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.*
