“UBS South Africa” means UBS South Africa (Pty) Ltd who renders a financial service to a client as a regular feature of its business and belongs to ‘Category I’ as defined in paragraph 1(1) of the Determination of Fit and Proper Requirements for Financial Services Providers, 2006, published by Board notice No. 91 of 2006 in Gazette No. 29132 of 16 August 2006.

Objective of exemption

2. UBS South Africa and Deutsche Securities have submitted applications for exemption from the application of the FAIS Act in respect of the rendering of financial services in the course of merchant banking business. UBS South Africa and Deutsche Securities offer similar services to those of merchant banks to which a similar exemption has already been granted.

The registrar is of the view that the provisions of the FAIS Act can hardly be applied where an entity is confronted by large corporate and other clients in a business situation where clients will usually have sufficient know-how and expertise, or access thereto. Certain of these clients will be “execution-only” clients who will have a fixed mind on the services required, leaving the entity with a limited discretion in the rendering of the required service.

The registrar is also satisfied that the requested exemption can hardly frustrate the achievement of any object of the FAIS Act, particularly as the exemption will not apply to several classes of clients still in need of full statutory protection.

The registrar is in addition satisfied that under current economic and public financial circumstances, the granting of the requested exemption does not seem to be in conflict with public interest and may obviously result in financial or other hardship or prejudice to the relevant parties.

The registrar is however, despite the considerations mentioned above, satisfied that economic and public financial circumstances and current business practices and client base of UBS South Africa and Deutsche Securities may change even in the near future, and that the non-applicability of the provisions of the FAIS Act referred to above, may in practice be proved to frustrate an object of the FAIS Act to provide and promote client protection, and that at this stage an exemption of only limited duration must be granted.

Extent of exemption and condition

3. UBS South Africa and Deutsche Securities are exempted until 30 September 2007 from section 7(1) of the FAIS Act, subject to the condition that in the rendering of a financial service to a client suitable guarantees or professional indemnity or fidelity insurance cover, quarterly approved by the registrar, are maintained.

Amendment and withdrawal of exemption and conditions

4. The exemption and conditions mentioned in paragraph 3 are subject to-
 - (a) amendment thereof published by the registrar by notice in the *Gazette*; and
 - (b) withdrawal in like manner.

Short title and commencement

5. This Exemption is called the Exemption of UBS South Africa and Deutsche Securities in respect of Certain Clients, 2007, and comes into operation on the date of publication in the *Gazette*.
