The Authority will not accept any late submission. All submissions that are submitted after the deadline as stipulated in section 2.1, will not be considered by the Authority and shall be immediately disqualified.

3.3 Suspected Collusion

The Authority will not condone any form of collusion in the process. Once any form of collusion or attempted collusion is envisaged, the Authority will withdraw the bid or annul the entire bid process.

4. Procedure in the event of a Tie

The Authority shall use a random generator to select a winning bid in the event of identical bid amount being submitted. Using this approach, the applicant will be assigned a random number before the opening of the submission box. The tied bid with the highest random number wins the tiebreaker and becomes the winning bid.

5. Payment of fees

The winning bidder shall pay the winning bid in full within ten (10) working days after the MUX3 Auction has been concluded and winner announced. Payment shall be made to the following bank account:

Account Holder's Name: ICASA

BANK : Nedbank Limited
BRANCH : All Branches
BRANCH CODE : 198765
ACCOUNT NO : 1080249044
REFERENCE : Applicant's Name MUX 3

Should payment not be made within ten (10) working days after the MUX 3 Auction, the bid will be awarded to the second highest bidder.

6. Awarding of the Spectrum Licence

The Authority intends to grant the new spectrum licence within six (6) months of the sealed bids closing date.

Should the winning bidder fail to provide sufficient proof of funding, the Authority reserves the right to award the licence to the second highest bidder. The same requirements will be applied to the second highest bidder.

7. Withdrawal from the Bid Process

The bid is a sealed bid auction type. Therefore, applicant(s) can withdraw at any time from the bid process.

8. Repeal of Award

Should the winning bidder fail to launch within two (2) years of the granting of the radio frequency spectrum licence, the Authority reserves the right to cancel the award.
