Mr Julius Sello Malema, MP acting in accordance with section 73(2) of the Constitution of the Republic of South Africa, 1996, intends to introduce the South African Reserve Bank Amendment Bill, 2018 ("Bill"), in Parliament during the first quarter of 2018/2019. An explanatory summary of the Bill is hereby published in accordance with Rule 276(1)(c) of the Rules of the National Assembly (9th Edition).

The South African Reserve Bank Act, 1989 (Act No. 90 of 1989) ("Act"), amongst other things, provides for the share capital of the South African Reserve Bank ("Bank"). - The draft Bill will provide for the following: The State as the sole shareholder of the shares in the Bank;
- the responsibility of the President of the Republic in consultation with the Minister of Finance and Parliament to appoint the Governor, Deputy Governors and all other directors of the Bank; and
- the role of the Minister of Finance as a shareholder to exercise the rights attached to the shares in the Bank.

Interested parties and institutions are invited to submit written representations on the proposed content of the draft Bill to the Speaker of the National Assembly within 30 days of the publication of this notice. Representations can be delivered to the Speaker, New Assembly Building, Parliament Street, Cape Town; mailed to Speaker, P O Box 15 Cape Town 8000, or emailed to bmbete@parliament.gov.za and copied to gumanitk@gmail.com.

**PARLIAMENT OF THE REPUBLIC OF SOUTH AFRICA
NOTICE 287 OF 2018**

DR SUZAN THEMBEKWAYO, MP

NOTICE OF INTENTION TO INTRODUCE THE NATIONAL HEALTH AMENDMENT BILL, 2018, A PRIVATE MEMBER'S BILL, INTO PARLIAMENT AND INVITATION FOR PUBLIC COMMENT THEREON

Dr Suzan Thembekwayo, MP acting in accordance with section 73(2) of the Constitution of the Republic of South Africa, 1996, intends to introduce the National Health Amendment Bill, 2018 ("Bill"), in Parliament during the first quarter of 2018/2019. An explanatory summary of the Bill is hereby published in accordance with Rule 276(1)(c) of the Rules of the National Assembly (9th Edition).

Healthcare challenges are not limited to specific time periods and can afflict a person at any time of day or night. Millions of South Africans are denied their right to have access to healthcare services as enshrined in the Bill of Rights because an insufficient number of healthcare facilities are open after hours, thus denying these South Africans access to healthcare facilities should they fall sick or become injured after hours. People do not only get sick or suffer injury during the day when healthcare facilities, especially clinics, are open. Many South Africans live too far from hospitals and are therefore unable to access healthcare establishments all the time. Clinics are in most instances are the most effective health establishment to access.

The draft Bill will provide:

- For all clinics to operate and provide healthcare services twenty-four (24) hours a day, seven (7) days a week.

The Bill will be available on the website of the Economic Freedom Fighters (<https://www.effonline.org>) once it has been certified by the Chief Parliamentary Legal Adviser or a parliamentary legal advisor designated by him or her as required by Rule 279(4) of the Rules of the National Assembly (9th Edition). It may also, after introduction, be obtained from:
