**NATIONAL ENVIRONMENTAL MANAGEMENT: WASTE ACT, 2008
(ACT NO. 59 OF 2008)****WITHDRAWAL OF THE SECTION 28 NOTICE CALLING FOR PAPER AND PACKING INDUSTRY, ELECTRICAL AND ELECTRONIC INDUSTRY AND LIGHTING INDUSTRY WASTE MANAGEMENT PLANS IN TERMS OF SECTION 28 OF THE NATIONAL ENVIRONMENTAL MANAGEMENT: WASTE ACT, 2008 (ACT NO. 59 OF 2008)**

I, Barbara Dallas Creecy, Minister of Environment, Forestry and Fisheries, acting in terms of section 28(1) read with sections 31 and 32(1)(d) of the National Environmental Management: Waste Act, 2008 (Act No. 59 of 2008), hereby notify members of the public of my decision to withdraw the section 28 Notice calling for Paper and Packaging Industry, Electrical and Electronic Industry and the Lighting Industry plans published under Government Notice No.1353 in Government Gazette No. 41303 on 6 December 2017 (the section 28 Notice).

A number of plans were received in response to the aforementioned call for industry management plans and upon consideration thereof, I have reached the decision that none of them comply with the criteria expressly stipulated in the section 28 Notice and, as a result, none of them could be approved. This process, which commenced under the fifth administration, is now considered closed. I am of the view that a new approach is required in order to achieve the same objectives that were intended when this section 28 notice process initially began.

The new approach will be centred on the extended producer responsibility (EPR) principle and would take into consideration the comments received from the relevant industries that generates the waste.

In light of the above, I intend to have further engagements with the relevant industries that have been identified as generators of waste, on the specific extended producer responsibility measures that must be taken in respect of the product or class of products, as contemplated in section 18(1) of the National Environmental Management: Waste Act, 2008.

BARBARA DALLAS CREECY
MINISTER OF ENVIRONMENT, FORESTRY AND FISHERIES

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
