- (i) include authorisation from an organ of state or state owned enterprise if required for that type of sign;
- (j) where applicable, include a copy of the Title Deed of the premises on which the sign is to be displayed;
- (k) provide a copy of the applicant's latest municipal consolidated billing account;
- (l) include a copy of any applicable lease agreement incorporating the names of the parties, duration of the contract and signature of the parties;
- (m) include an address at which notification or service of a document may be delivered, including a physical address, facsimile address or e-mail address; and
- (n) where applicable, include required consents pursuant to the National Heritage Resources Act, 1999 (Act No. 25 of 1999) or the KwaZulu-Natal Heritage Resources Act, 2008 (Act No. 4 of 2008).

(3) Every application must where applicable, include the written consent of the owner of the premises on which an outdoor advertising sign is to be displayed, as well as the owner's written undertaking to be bound by this By-law and to indemnify the Municipality in the event of non-compliance with this By-law.

(4) The Municipality must take into account the following factors when considering an application for a permit–

- (a) the type of outdoor advertising sign to be displayed;
- (b) the provisions of this By-law;
- (c) any Advertising Control Map, and accompanying schedule of conditions, issued by the Municipality in terms of this By-law;
- (d) any other applicable law;

- (e) any other consent or authorisation which may be required by an organ of state, state owned enterprise or line department of the Municipality; and
- (f) whether the sign will impact the health and safety of any occupants of a building.

(5) The Municipality must consider an application for a permit to display or alter an outdoor advertising sign within 30 days of receipt thereof and may–

- (a) approve it subject to any conditions including, but not limited to, the period of validity of the permit and any prescribed fee which may be determined from time to time;
- (b) request that additional information or required amendments be furnished within 14 days of such request; or
- (c) reject the application.

(6) Where the Municipality has requested additional information or required amendments, the Municipality must within 30 days of receipt of additional information or amendments make a decision.

(7) An application for a permit in respect of which the Municipality has requested additional information or required amendments must be deemed to have been refused if–

- (a) such additional information has not been submitted; or
- (b) the required amendments have not been effected to the satisfaction of the Municipality,

within 60 days after the date of request for additional information or required amendments was made.

(8) The Municipality must within 21 days from the date of a decision in terms of subsection (5) or (6) in writing, notify the applicant of its decision and must provide written reasons for its decision on receipt of a written request by the applicant.

(9) The Municipality must for its record purposes retain every application, plans, drawings and other documentation submitted in terms of subsection (2) in accordance with the National Archives and Records Service of South Africa Act, 1996 (Act No. 43 of 1996) and any other applicable legislation or policies regulating the retention of records.

(10) Subject to subsection (1)(b), the Municipality may approve minor alterations, which includes but is not limited to any amendment to the wording, product or position of the sign,

by means of an endorsement on the original permit where the alteration does not change the nature of the original application.

Indemnity

8. A person who applies for a permit to display or alter an outdoor advertising sign must—
- (a) indemnify the Municipality against any claim arising from the display of the outdoor advertising sign; and
 - (b) where application has been made for an outdoor advertising sign to extend beyond the boundary of any street or public place, in addition indemnify the Municipality in respect of any claim arising from such encroachment.

Application fees

9.(1) The Municipality is entitled to charge any person who applies for a permit to display or alter an outdoor advertising sign an application fee on submission of each application as may be prescribed.

(2) The Municipality may provide for a pre-assessment process in terms of which the balance of the application fee is only payable after a non-locality bound outdoor advertising sign has been pre-approved by the Municipality.

Display of approved outdoor advertising signs

10.(1) A person may not display or alter an outdoor advertising sign except in accordance with this By-law, any conditions imposed by the Municipality as contained in the permit and any applicable law.

(2) The owner and permit holder are jointly responsible for undertaking and completing, within six months of date of approval, the display of an approved outdoor advertising sign and its supporting structure.

(3) Any person who displays an approved outdoor advertising sign must notify the Municipality within 14 days of such sign being erected.

(4) If an approved outdoor advertising sign in terms of subsection (2) is not erected within six months of date of approval, or any further period which the Municipality on good cause shown allows in writing, the approval lapses and a new application must be submitted.

Amendment of conditions and suspension or withdrawal of permits

11.(1) The Municipality may suspend or withdraw a permit, or impose additional conditions on the display of an outdoor advertising sign, if the sign has become a nuisance, is offensive or is a threat to the safety of persons or property.

(2) If the Municipality is of the opinion that there are grounds, including where a sign has become a danger to person or property or there has been a contravention of any of the conditions imposed in terms of a permit, for suspending or withdrawing a permit to display an outdoor advertising sign, or imposing additional conditions on the display of an outdoor advertising sign, the following procedure must be followed:

(a) the Municipality must give the permit holder and the owner at least 21 days written notice of the Municipality's intention to suspend or withdraw the permit or impose additional conditions; and

(b) the notice referred to in paragraph (a) must include—

(i) a statement setting out the nature of the proposed action;

(ii) the reasons for the proposed action;

(iii) an invitation to make written representations on the matter within a stipulated period;

(iv) an address at which representations may be submitted; and

(v) the date, time and place of a hearing, which may not be less than 15 days from the date of the notice, to consider the suspension or withdrawal.

(3) The Municipality must give a ruling on whether or not to suspend or withdraw the permit, or impose additional conditions, and must give the permit holder and the owner reasons for the ruling in writing not later than 14 days after the date of the conclusion of the last day of the hearing.

Permit is non-transferable

12.(1) A permit to display or alter an outdoor advertising sign is non-transferable and may not be leased, sold, exchanged or otherwise disposed of

(2) Notwithstanding the period of validity for such permit, the permit shall lapse when the permit holder ceases to occupy the premises or conduct the business or undertaking to which the sign relates.

(3) The permit holder and the owner must notify the Municipality within 14 days from the date he or she ceases to occupy or own the premises or to conduct the business or undertaking to which the sign relates.

Lapsing of permits

13. A permit to display or alter an outdoor advertising sign lapses if an approved outdoor advertising sign is–

- (a) not displayed within six months from the date of approval, unless the permit holder makes written application for an extension, which may only be granted for an additional period of six months; or
- (b) altered or added to without the prior approval of the Municipality.

Advertising Advisory Committee

14.(1) The Head, in consultation with the Deputy City Manager: Economic Development may establish an Advertising Advisory Committee comprised of municipal officials to consider and make recommendations on applications for the display of signs.

(2) The Head shall appoint a Chairperson and Deputy Chairperson for the Committee.

(3) Three members of the Advertising Advisory Committee must be present in order for a meeting to proceed.

(4) The Advertising Advisory Committee must meet as often as required in order to perform their duties and functions.

(5) The Deputy City Manager: Economic Development and the Head shall determine the Terms of Reference for the Committee.

PROHIBITED OUTDOOR ADVERTISING SIGNS

Prohibited outdoor advertising signs

15.(1) The following outdoor advertising signs may not be displayed:

- (a) any outdoor advertising sign which—
 - (i) does not comply with the requirements of the permit, this By-law, and any applicable law of the Municipality;
 - (ii) obscures, obstructs or interferes with any traffic sign or signal for traffic control;
 - (iii) inhibits, obstructs or interferes with road traffic safety, pedestrian safety, aircraft safety or the safety of the public in general;
 - (iv) obstructs any street, fire escape, exit way, window, door or other opening used as a means of entering or exiting, for lighting or ventilation or fire fighting purposes, or which constitutes a fire risk in the opinion of the Municipality;
 - (v) in the opinion of the Municipality, is indecent, obscene, offensive or otherwise objectionable;
 - (vi) is painted onto or attached in any manner to any tree, plant, rock or to any other natural feature;
 - (vii) is displayed on posters, banners or flags on Municipal property that is of a purely commercial nature, without the Municipality's approval;
 - (viii) obscures, whether partially or wholly, any other approved outdoor advertising sign which is being lawfully displayed;
 - (ix) constitutes a danger or imminent danger to any person or property as contained in the National Building Regulations;
 - (x) encroaches over the boundary line of the property on which it is erected; or
 - (xi) is detrimental to the environment in which it is located by reason of scale, intensity of illumination or design;
- (b) any handbills or promotional item, including the distribution of such at traffic intersections;
- (c) any fly posters;
- (d) any flag unless the flag has been approved by the Municipality which—
 - (i) relates to a current or forthcoming event and is displayed on or within the curtilage of premises used for public entertainment;
 - (ii) is displayed during public celebrations or festive occasions and relates to those celebrations or occasions;

- (iii) is a national flag which does not carry any advertisement;
- (iv) is a flag carried as part of a procession; or
- (v) is on-site and displays the name of a business conducted on that site;
- (e) any advertisement on a portable board displayed in a public place or visible from a public place;
- (f) any permanent teardrop flags;
- (g) any unauthorised attachment on an advertising vehicle;
- (h) walking advertisements or sandwich boards;
- (i) directional signs: Provided that an estate agents board displaying the words "on show" and other temporary signs in respect of an event may be permitted; and
- (j) any wrapping of trees or vegetation.

CHAPTER 5 AREAS OF CONTROL

Areas of control

16.(1) For the purposes of this By-law, the following areas of control exist:

- (a) areas of maximum control;
- (b) areas of minimum control;
- (c) areas of partial control; and
- (d) special advertising zones.

(2) The areas of control in which signs can be displayed are identified as set out in Schedule 20 hereto.

Advertising Control Map

17.(1) The Council may adopt an Advertising Control Map which indicates the—

- (a) boundaries of areas of maximum control, minimum control and partial control within its area of jurisdiction;
 - (b) types of signs which are prohibited within the areas contemplated in paragraph (a);
- and

(c) types of signs which are permitted within the areas contemplated in paragraph (a) and any conditions to which they may be subject to.

(2) An Advertising Control Map must comply with the provisions of this By-law and with any other applicable law.

Public participation

18.(1) The Municipality must consult with interested and affected persons, business people and residents in any area under consideration before the adoption of an Advertising Control Map.

(2) The consultation process contemplated in subsection (1) must comply with the provisions set out in subsections (3) to (10).

(3) The Municipality must—

(a) compile a draft Advertising Control Map; and

(b) publish a notice in the prescribed manner and form—

(i) informing the public that the draft Advertising Control Map is available for inspection at a specified location and between specified hours; and

(ii) inviting comments and objections from the public, to be received by the Municipality by a specified date not less than 30 days after the publication of the notice.

(4) The notice contemplated in subsection (3) must—

(a) contain a summary of the key aspects of the draft Advertising Control Map; and

(b) be published in two local daily newspapers that circulate in the area, or if there is a community newspaper which is free to the public and is circulated in the area, it may be published in the community newspaper and one daily local newspaper.

(5) The Municipality may call for a public meeting to be held and the public meeting must be held not less than seven days or more than 60 days after the date of the publication of the notice referred to in subsection (3).

(6) At the public meeting contemplated in subsection (5), the Municipality must—

(a) present and explain the draft Advertising Control Map;

- (b) respond to any queries related to the draft Advertising Control Map;
- (c) give interested and affected persons, business people and residents an opportunity to make comments and to lodge objections; and
- (d) take minutes of the meeting.

(7) The Municipality must consider all objections or comments received from the public regarding the draft Advertising Control Map.

(8) After having considered the comments and objections, the Municipality may, within a reasonable period from the commencement of the public participation process–

- (a) adopt the draft Advertising Control Map;
- (b) amend and adopt the draft Advertising Control Map; or
- (c) reject the draft Advertising Control Map.

(9) Notwithstanding the provisions of section 59 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) the Council may not delegate the decision-making powers referred to in subsection (8).

(10) In the event that the Council adopts an Advertising Control Map, a notice must be published in the manner contemplated in subsection (4), as well as in the *Provincial Gazette*–

- (a) confirming that the Advertising Control Map has been adopted;
- (b) giving notice of the commencement date of the Advertising Control Map;
- (c) summarising the key aspects of the Advertising Control Map; and
- (d) confirming that the Advertising Control Map is available for inspection at a specified location and between specified hours.

Amendment, revocation and review of Advertising Control Map

19. The Council–

- (a) may amend or revoke an adopted Advertising Control Map subject to the provisions of the Promotion of Administrative Justice Act, 2000 (Act No. 3 of 2000): Provided that the Council must follow the public participation process set out in section 18; and
- (b) must review the adopted Advertising Control Map whenever the Council deems it necessary.

Areas of maximum control**20.** In areas of maximum control—

- (a) only low impact outdoor advertising signs which do not intrude into, dominate or derogate in any way from the character or quality of the environment, including the visual, social and traffic safety aspects, will be permitted; and
- (b) third party advertising is not permitted.

Areas of partial control**21.** In areas of partial control—

- (a) only moderate impact outdoor advertising signs are permitted, taking into account the environmental impact including the visual, social and traffic safety aspects;
- (b) third party advertising may be permitted on billboards on Municipal property and on outdoor advertising signs, subject to appropriate limitations on the size, position and the number of signs; and
- (c) wall billboards may be permitted and shall not cover more than 50% of the surface of a return or retaining wall.

Areas of minimum control

22. In areas of minimum control, high impact outdoor advertising signs and third party outdoor advertising signs are permitted, subject to appropriate limitations on the size, position and the number of signs.

CHAPTER 6**ESTATE AGENT'S BOARDS AND CONTRACTOR'S BOARDS****Registration of estate agents and contractors**

23.(1) An estate agent or contractor may not display estate agent's boards or contractor's boards unless he or she has—

- (a) submitted an application to the Municipality; and

(b) been issued with a permit authorising the display of the estate agent's boards or contractor's boards.

(2) In the case of estate agents–

(a) individual estate agents must hold a permit; and

(b) it is not sufficient for an entity or partnership through which estate agents trade to hold a permit.

(3) An application for a permit to display estate agent's boards or contractor's boards must be made to the Municipality on the applicable form together with payment of the prescribed fee.

(4) A permit issued to a person in terms of subsection (1)–

(a) is valid for a maximum period of 12 months; and

(b) is applicable to all estate agent's boards or contractor's boards displayed by the permit holder during the period of validity of such permit.

(5) The Municipality may, in respect of a permit contemplated in subsection (1), grant a permit subject to conditions or refuse a permit.

(6) If the Municipality is of the opinion that there are grounds for suspending or withdrawing a permit contemplated in subsection (1) that was issued to an estate agent or a contractor, the following procedure must be followed:

(a) the Municipality must give the estate agent or contractor concerned at least 21 days written notice of its intention to suspend or withdraw the permit; and

(b) the permit holder and the owner must be given an opportunity, either personally or through his or her duly authorised representative, to appear at a hearing and make representations before the Municipality.

(7) The written notice contemplated in subsection (6) must include–

(a) a statement setting out the nature of the proposed action;

(b) the reasons for the proposed action;

(c) an invitation to make written representations on the matter;

(d) an address at which representations may be submitted; and

(e) the date, time and place of a hearing, which may not be less than 15 days from the date of the notice, to consider the suspension or withdrawal, and an indication that the

estate agent or contractor concerned may submit representations and appear at the hearing.

(8) In the event that an estate agent or contractor wishes to appear at a hearing and to oppose the proposed action, he or she must, within seven days of receiving the notice or within a further period that the Municipality may allow, submit representations in writing to the address indicated in the notice.

(9) The Municipality must give a ruling on whether or not to suspend or withdraw the permit and must give the estate agent or contractor concerned its reasons for the ruling in writing not later than 14 days after the date of the conclusion of the hearing.

Face of estate agent's and contractor's boards

24.(1) An estate agent's board must, where applicable, indicate the following:

- (a) the name of the agency to which the estate agent belongs;
- (b) the logo of the agency;
- (c) the name of the estate agent;
- (d) the estate agent's contact details; and
- (e) the individual estate agent's Fidelity Fund Certificate (FFC) number.

(2) Where an estate agent's board indicates that a property has been sold or leased, the estate agent must remove the board within 30 days of the effective date of sale or lease.

(3) The Municipality may at any time require an estate agent to provide proof of the sale or lease of a property within a stipulated timeframe.

(4) A contractor's board must indicate the following:

- (a) the name of the contractor and, if applicable, a business or trading name;
- (b) the contractor's contact details;
- (c) if required by the Municipality, a brief indication, to the reasonable satisfaction of the Municipality, of the nature of the services or products provided by the contractor; and
- (d) the registration number issued to the contractor on receipt of a permit from the Municipality.

(5) Any additional information which may be required to be included on an estate agents board or contractor's board is subject to the approval of the Municipality.

(6) A contractor's board must be displayed within or on the boundary of the property and must not encroach over the boundary line of the property.

CHAPTER 7 GENERAL REQUIREMENTS

Amenity

25. An outdoor advertising sign may not be detrimental to the environment or to the amenity of the human living environment by reason of size, shape, colour, texture, intensity of illumination, quality of design or materials or for any other reason.

Aesthetics

26.(1) An outdoor advertising sign may not be detrimental to the built or natural environment, detract from buildings or natural features, conflict with the harmony of any existing environment or detract from the general amenity of the neighbourhood.

(2) An outdoor advertising sign must—

- (a) be suitable for the environment in which it is to be displayed;
- (b) be suitably placed so as to achieve an uncluttered effect;
- (c) be constructed, executed and finished in an appropriate manner so that the structure and content of the sign is neat; and
- (d) consist of durable materials suitable for the function, nature and permanence of the outdoor advertising sign.

Safety

27.(1) An outdoor advertising sign must comply with the provisions of the National Road Traffic Act and any other applicable law.

(2) An outdoor advertising sign may not be displayed in a position where it may cause danger, obstruction or a nuisance to any person, or damage to any property or the environment, including roads and pedestrian traffic ways.

(3) The prohibitions contemplated in subsection (2) include but are not limited to—

- (a) obscuring any traffic signs or signals;
- (b) inhibiting any pedestrian's or drivers' visibility;
- (c) obstructing any road or access; and
- (d) any nuisance caused by light.

(4) An outdoor advertising sign positioned along a road and which targets road users, must—

- (a) be concise and legible;
- (b) contain the minimal text; and
- (c) comply with the guidelines for control of bits and the size of information set out in this By-law.

(5) An outdoor advertising sign must comply with the safety conditions and principles contained in this By-law.

(6) Any outdoor advertising sign, including its supports and frameworks, closer than 1.5m to an opening of a building must be constructed of non-combustible material in accordance with SANS 10400-T.

Illumination

28.(1) An outdoor advertising sign may not exceed the maximum luminance levels per m² set out in the Table below:

Illuminated Area	Maximum Luminance
Less than 0,5 m ²	1000 candela per m ²
0,5 to 2,0 m ²	800 candela per m ²
2,0 to 10 m ²	600 candela per m ²
10 or more m ² in visual zones	350 candela per m ²
10 or more m ² in other areas	400 candela per m ²

(2) An electronic outdoor advertising sign and an illuminated outdoor advertising sign may not be so placed or contain an element which distracts or hinders the attention of drivers in a manner likely to lead to unsafe driving conditions.

(3) An electronic outdoor advertising sign and an illuminated outdoor advertising sign must be positioned in such a manner to ensure effective distribution of light and to minimise light wastage or spill.

(4) The extent of illumination of an outdoor advertising sign may not cause a distraction, harm or danger to any person.

(5) The light source emanating from floodlights from a sign shall not be visible to traffic travelling in either direction.

(6) Floodlighting emanating from a sign shall be positioned to ensure effective distribution and to minimise light wastage or spill.

(7) In respect of freeways, irrespective of the area of control, billboards, temporary advertisements, product replicas and three-dimensional signs, roof signs, flat signs, signs painted on walls and roofs, signs incorporated in the fabric of a building, advertising on towers, bridges and pylons, advertisements on construction site boundary walls and fences, aerial signs, and trailer advertising may not be illuminated in any way unless the freeway is lit by overhead lighting over the full distance within which the advertisement sign is visible from the freeway.

(8) Energy efficient luminaries and lamps must be used in the illumination of any outdoor advertising sign.

Environmental impact

29.(1) An outdoor advertising sign must be satisfactorily integrated into the environment to ensure that the Municipality's tourism and development potential is characterised by a high standard of user-friendly signage.

(2) The position, size, design, construction and content of all signs must take cognisance of high quality, historically and environmentally sensitive green belts and open space areas.

(3) An outdoor advertising sign may not cause harm to the environment.

Position of outdoor advertising signs

30.(1) The position of an outdoor advertising sign must be in accordance with the provisions of the National Road Traffic Act, this By-law and any other applicable law.

(2) Outdoor advertising signs may not be—

(a) positioned on a road island or road median unless they are street name outdoor advertising signs;

(b) suspended across a road: Provided that signs permitted on bridges across certain urban roads other than freeways or highways, advertising on towers, bridges and pylons as well as banners suspended across urban roads other than freeways and as part of a street-scaping project shall be permitted; or

(c) erected within or suspended above a road reserve or within the limited use area outside the road reserve boundary or freeways.

(3) Sponsored road traffic projects, tourism signs and advertising vehicles may be allowed within all road reserves subject to approval by the Municipality.

(4) Temporary advertisements such as project boards which concern road construction may be allowed within all roads reserves.

(5) Posters and advertisements on street furniture, banners and flags, suburb-name advertisements, projecting signs, veranda, balcony, canopy and under awning signs and functional advertisements by organs of state or state owned enterprises may be allowed within all urban road reserves other than freeways.

(6) Temporary outdoor advertising signs such as pavement posters and notices, street name outdoor advertising signs, and signs on bridges may be allowed within urban road reserves other than freeways, but only in urban areas of minimum and partial control.

(7) Neighbourhood watch and similar schemes signs may be allowed within road reserves other than on freeways in urban, rural, and natural environments subject to approval by the Municipality.

(8) Flat signs, projecting signs, and veranda, balcony and under awning signs, may be allowed within the limited use area along freeways if the main building housing an enterprise is within 50m from the road reserve boundary of a freeway and if there is no other appropriate means of indicating that particular enterprise facing another public road carrying through passing traffic.

(9) The Municipality may within vision zones, with regards to advertising restrictions on urban freeways, identify areas in which relaxation may be allowed to change the area of control of such visual zone, and in such instances, the Municipality may also stipulate any terms and conditions it deem fit.

(10) Outdoor advertising signs may not be permitted within a restricted area at urban street corners, with the exception of temporary window signs, street name outdoor advertising signs, flat signs, projecting signs, veranda, balcony and under awning signs, window signs, signs incorporated in the fabric of a building and illuminated signs within restricted areas at signalised street corners which signs have a clear height of at least 6m if such signs contain the colours red, green or amber.

Temporary outdoor advertising signs

31.(1) Any person who wishes to display a temporary outdoor advertising sign must apply to the Municipality for a permit to display the temporary sign.

(2) A temporary outdoor advertising sign may only be used in connection with an event.

(3) A temporary outdoor advertising sign may be displayed for a period of time as determined by the Municipality in the permit and must be removed within the stipulated period of time after the event has taken place.

(4) A directional sign may not be misunderstood to represent a road traffic sign due to any factor, including the following:

(a) any form of arrow or other directional device;

- (b) any symbol, logo or other devised as used on a road traffic sign;
- (c) use of combination of colours specified for road traffic signs; or
- (d) statements which call for a driver to turn off the route on which he or she is travelling or to make a U-turn.

Maintenance

32.(1) The owner and the permit holder are jointly responsible for maintaining an outdoor advertising sign, as well as its supporting structure, in a state of good repair, both structurally and aesthetically.

(2) An outdoor advertising sign, as well as its supporting structure, must be–

- (a) treated against corrosion and painted;
- (b) cleaned on a regular basis;
- (c) regularly maintained in good repair and in a safe condition, and according to the highest standard as regards quality of structures, posting and content in terms of the National Building Regulations and any other applicable law; and
- (d) designed and positioned, where possible, to discourage vandalism.

Electrical and fire prevention requirements

33.(1) An electronic and illuminated outdoor advertising sign, including its supporting structure must be constructed entirely of non-combustible materials and must be installed in accordance with the provisions of the Municipality's By-laws dealing with electricity and electricity supply, the Code of Practice for the wiring of premises in accordance with the South African Bureau of Standards (SABS), any applicable legislation and any policy adopted by Council regulating electricity requirements for illuminated signage.

(2) An electronic and illuminated outdoor advertising sign must–

- (a) have power cables, and conduits containing electrical conductors, positioned and fixed so that they are not unsightly;
- (b) be provided with an external weather proof isolator in an accessible position and at a height of at least 3m from the ground where the electricity supply to the advertisement may be switched off;
- (c) contain a maximum of six bits of information displayed at any instant in time;

- (d) contain a maximum height of text of 500mm; and
- (e) have a clearance to the underside of the sign of 2.2m where such sign is over a pedestrian path.

(3) The installation and maintenance of an electronic or illuminated advertising sign may only be conducted by a registered electrician who shall at the request of the owner or Municipality issue a certificate confirming he or she is satisfied that the wiring and installation is in accordance with the provisions of all applicable laws.

(4) If an outdoor advertising sign is to be displayed on premises in a hazardous location as contemplated in SANS 10108 or on premises where flammable liquids and flammable gases are manufactured or stored in an outdoor location, the owner and the permit holder must ensure compliance with SANS 10108.

(5) No movement of the electronic sign face is permitted except for the instant change from one message to another and the duration of the continuous display of each message shall not be less than 15 seconds.

Structural requirements

34.(1) An outdoor advertising sign must be properly—

- (a) constructed and erected; and
- (b) secured, fixed and anchored,

to the satisfaction of an engineer who is responsible for the design, supervision and certification of the display of the sign.

(2) A sign, including its supports and frameworks, must be constructed of non-combustible, durable and safe materials, suitable for the particular design of the sign in accordance with the applicable laws.

(3) Adequate provision must be made for the drainage of all outdoor advertising signs.

(4) The supporting structure of any outdoor advertising sign must be neatly constructed, designed and supervised by an engineer as an integral part of the design of the sign, or be otherwise concealed from view to the satisfaction of the Municipality.

(5) No free-standing outdoor advertising sign exceeding 3.4m in height may be built without a certificate from an engineer confirming that the sign is structurally stable and safe.

(6) The Municipality may at any time and on good cause shown require that an engineer certify that the—

(a) design of an outdoor advertising sign and supporting structure is structurally stable and safe; and

(b) completed outdoor advertising sign and supporting structure is structurally stable and safe.

(7) The supporting structure may only be erected once the Municipality has granted its approval for the erection of the outdoor advertising sign in terms of the National Building Regulations.

CHAPTER 8

SIGNS ON MUNICIPAL PROPERTY

Signs on Municipal property

35.(1) Signs on municipal property are subject to Council's Supply Chain Management policies.

(2) The Municipality shall set out the specifications and required performance standards for signs on municipal property prior to calling for proposals.

(3) Advertising opportunities on Municipal property shall be identified and pre-approved in line with the provisions of this Bylaw and approved Council policies.

(4) Preference for advertising on Municipal property shall be given to EME's in line with Council's approved Framework for Accelerating Economic Empowerment and Transformation.

CHAPTER 9 TYPES AND CLASSES OF SIGNS

Types of signs

36.(1) The approval and display of an outdoor advertising sign must be in accordance with this By-law and any other applicable law, and is furthermore subject to any additional requirements pertaining to a specific type of outdoor advertising sign contained in the schedules contemplated in subsection (2).

(2) The Schedules which relate to specific types of signs are as follows:

- (a) Billboards: Schedule 2;
- (b) Ground signs: Schedule 3;
- (c) Flat signs: Schedule 4;
- (d) Projecting signs: Schedule 5;
- (e) Roof signs: Schedule 6;
- (f) Sky signs: Schedule 7;

- (n) Signs at stadia and sports grounds: Schedule 15;
- (o) Signs at schools: Schedule 16;
- (p) Home Business Signs: Schedule 17; and
- (q) Murals: Schedule 18.

(3) The schedules contemplated in subsection (2) contain further requirements, criteria, conditions and minimum standards to which any person must comply with for a specific type of outdoor advertising sign.

CHAPTER 10 ENFORCEMENT

Lawful instructions

37.(1) Failure to comply with a lawful request by an authorised official in accordance with the provisions of this By-law constitutes a contravention of this By-law.

(2) An authorised official may enter any premises after reasonable notice has been given and at a reasonable time in order to conduct an inspection necessary for the proper enforcement and administration of this By-law.

(3) In the event of the display of an unauthorised outdoor advertising sign for an event held on private premises, the owner or person in charge of the premises must upon request by an authorised official provide the following information:

- (a) name of event organiser; and
- (b) any contact details of the event organiser.

(4) Failure by the owner or person in charge to provide the information contemplated in subsection (3) will result in the owner or person in charge being guilty of an offence.

Notice to rectify or remove a sign

38.(1) If an outdoor advertising sign contravenes—

- (a) a provision of this By-law or applicable law;
- (b) any condition of a permit to display or alter an outdoor advertising sign;
- (c) an Advertising Control Map or the accompanying schedule of conditions which may be issued in terms of this By-law,

the Municipality must serve a contravention notice on the owner or permit holder.

(2) The contravention notice must direct the owner or permit holder within the time period determined by the Municipality to cease with the unlawful display of the outdoor advertising sign, and may include an instruction to demolish or remove any unauthorised outdoor advertising sign and where necessary rehabilitate the land to its original form.

(3) The contravention notice contemplated in subsection (1) must—

- (a) identify the person to whom it is addressed to;
- (b) provide a description of the immovable property on which the outdoor advertising sign is located;
- (c) indicate whether an approval has or has not been granted for the display of the outdoor advertising sign;
- (d) state that the display of the outdoor advertising sign is illegal and indicate which provision of the By-law, condition or other provision the display of the sign contravenes;
- (e) indicate the steps the person must take and the period within which such person must do so; and
- (f) direct the person's attention to the following:
 - (i) that the person could be prosecuted for and convicted of an offence;
 - (ii) that on conviction, the person will be liable for the penalties as provided for; and
 - (iii) that in addition to the conviction and imposition of a penalty, the person could be required by an order of the court to demolish or remove the unauthorised outdoor advertising sign and where applicable, allow the Municipality to enter the property to demolish or remove the unauthorised outdoor advertising sign.

(4) Where the court convicts a person of an offence contemplated in section 43 of this By-law, it may–

- (a) at the written request of the Municipality summarily enquire into and determine the monetary value of any advantage which that person may have gathered as a result of that offence; and
- (b) in addition to the fine or imprisonment contemplated in section 44 of this By-law, order an award of damages, compensation or a fine not exceeding the monetary value of any advantage which the person may have gained as a result of that offence in favour of the Municipality.

(5) Notwithstanding the provisions of subsection (1), in the event that an outdoor advertising sign–

- (a) constitutes an imminent or irreversible threat or danger or emergency to the environment or the health, safety or well-being of any person, property or the public; or
- (b) is displayed on Municipal property and has not been approved,

the Municipality may immediately take steps to remove, rectify or cover the sign.

(6) The remedies provided for in this By-law are in addition to any other statutory, common law, criminal or civil remedies that a Municipality may have at its disposal.

(7) The Municipality may implement a property rates adjustment in accordance with the use of the property where it has confirmed a contravention of this By-law.

Recovery of costs

39.(1) Where the Municipality removes or rectifies a sign or undertakes any remedial action, the owner and the permit holder shall be liable jointly and severally for the costs incurred by the Municipality in taking such action.

(2) The recovery of costs contemplated in subsection (1) is in addition to any fine which may be imposed on those persons.

(3) No person shall be entitled to compensation for any loss or damage arising out of any *bona fide* action or decision taken by the Municipality or any authorised official in terms of this By-law.

Removal of signs and impoundment

40.(1) An authorised official may remove and impound an unlawful outdoor advertising sign as provided for in section 38(5) of this By-law or in terms of a court order.

(2) The removal and impoundment of any outdoor advertising sign in terms of subsection (1) may be effected irrespective of whether or not such sign is in the possession or under the control of any third party at the time.

(3) In the event that any goods to be impounded are attached to immovable property or a structure, an authorised official may order any person who appears to be in control of the immovable property or structure to remove the goods to be impounded.

(4) If the person contemplated in subsection (3) refuses or fails to comply—
(a) such person is guilty of an offence; and
(b) the authorised official may remove the goods.

(5) Any authorised official who removes and impounds goods in terms of subsection (1) must issue the permit holder or owner of premises with a receipt which—

- (a) captures the full name, identity number and contact details of the person;
- (b) states the relevant section of the By-law contravened;
- (c) itemises and describes the goods to be removed and impounded;
- (d) provides the address where the impounded goods will be kept;
- (e) states the period of impoundment;
- (f) states the terms and conditions which must be met to secure the release of the impounded goods;
- (g) states the impoundment fee to be paid to secure release of the impounded goods;
- (h) states the terms and conditions on which unclaimed goods will be sold or otherwise disposed of;
- (i) provides the name and address of a municipal official to whom any representations regarding the impoundment may be made and the date and time by which representations must be made;
- (j) contains an acknowledgement signed or marked by the person confirming that—
 - (i) the contents of the receipt are correct;
 - (ii) the contents of the receipt have been explained to him or her; and
 - (iii) he or she understands the consequences of impoundment and the requirements for the release of such impounded goods; and
- (k) contains the name of the authorised official concerned and the date and time of impoundment.

(6) An authorised official must, immediately upon removing the goods, transport such goods to the place of impoundment stated on the receipt issued to the person in terms of subsection (5).

(7) The Municipality must—

- (a) keep a register of impounded goods at all places of impoundment;
- (b) immediately enter in the register the—
 - (i) details of the permit holder or owner of premises;
 - (ii) details of the goods removed and impounded, including the condition of such goods;
 - (iii) place and area where such goods were removed from;
 - (iv) name of the authorised official who attended to the removal and impoundment of the goods; and

(v) time and date of such removal and impoundment, upon the presentation of such goods at the place of impoundment.

(8) Items which have been impounded may be released after payment of the prescribed impoundment and storage fees.

(9) Impounded goods may be disposed of by the Municipality if the owner of the outdoor advertising sign does not, or is unable to, pay the impoundment fee within 30 days from the date of impoundment of those goods.

(10) If impounded goods are disposed of by the Municipality in terms of subsection (9), the Municipality may, if the goods are claimed by the rightful owner, pay such person the proceeds of the sale less the prescribed impoundment and storage fees.

(11) After the 30 day period mentioned in subsection (9) has lapsed, the Municipality must serve a notice on such person concerned advising him or her—

- (a) that the Municipality intends selling his or her impounded goods as a result of his or her failure to secure the release of such goods within the specified time;
- (b) of the date, time and place where representations may be made by the person as to why the Municipality should not sell his or her goods; and
- (c) of the date, time and place of such sale should the person prove to be unsuccessful in his or her attempt to have such goods released as per paragraph (b).

Vicarious liability

41.(1) Where there has been a contravention of this By-law or a condition of a permit to display or alter an outdoor advertising sign, the owner of the premises on which an outdoor advertising sign is displayed and the permit holder is deemed to have committed such contravention.

Service of notices

42.(1) Whenever a notice is required to be served on a person in terms of this By-law, it is deemed to have been effectively and sufficiently served on such person —

- (a) when it has been delivered to him or her personally;
- (b) when it has been left at his or her place of residence or business in the Republic of

South Africa with a person apparently over the age of 16 years;

(c) when it has been posted by registered or certified mail to his or her last known residential or business address in the Republic of South Africa and an acknowledgement of the posting thereof is produced;

(d) if his or her address in the Republic of South Africa is unknown, when it has been served on his or her agent or representative in the Republic of South Africa in the manner contemplated in paragraphs (a), (b) or (c); or

(e) if his or her address and agent in the Republic of South Africa are unknown, when it has been affixed to a conspicuous place on the building.

- (2) The date of notification in respect of any notice served in terms of this By-law is–
- (a) on the fourth day after the postmarked date upon the receipt for registration, when it is served by registered mail;
- (b) the date of delivery, when it is served on the person personally;
- (c) the date that the notice was left at a person's place of residence or place business in the Republic with a person apparently over the age of 16 years;
- (d) the date on which the notice was successfully transmitted, if the document is served by electronic transmission to the e-mail address or facsimile address;
- (e) where the notice was displayed in a conspicuous place on the property or premises to which it relates, the date on which such notice was posted or affixed to such place;
- or
- (f) in the case of a juristic person, to its registered address or principal place of business.

Offences

- 43.(1)** A person commits an offence if he or she–
- (a) contravenes any–
- (i) provision of this By-law or applicable law;
- (ii) condition of a permit which has been issued to him or her; or
- (iii) provision of an Advertising Control Map issued by the Municipality in terms of this By-law;
- (b) fails to comply with any lawful instruction or notice given in terms of this By-law;
- (c) threatens, resists, interferes with or obstructs any authorised official in the performance of official duties or functions in terms of or under this By-law; or
- (d) deliberately furnishes false or misleading information to an authorised official.

- (2) A person commits a continuing offence if he or she continues with an offence—
- (a) after the notice has been served on him or her in terms of this By-law requiring him or her to cease committing such offence; or
 - (b) continues with an offence after he or she has been convicted of such offence.

Penalties

44.(1) Any person who is convicted of an offence under this By-law is liable to a fine or imprisonment not exceeding 20 years, or to both such fine and imprisonment.

(2) In the case of a continuing offence, an additional fine or imprisonment for a period not exceeding three months, for each day on which such offence continues or both such fine and imprisonment, will be imposed.

Presumptions

45. Any person charged with an offence in terms of this By-law who is—

- (a) alone, or jointly with any other person, responsible for organising, or in control of any meeting, function or event, to which an outdoor advertising sign relates, is deemed, until the contrary is proved, to have knowingly displayed every unlawful sign displayed in connection with such meeting, function or event or to have caused or allowed it to be so displayed;
- (b) the person whose name appears on an unlawful outdoor advertising sign, or whose product or services are advertised on such sign, is deemed, until the contrary is proved, to have displayed such sign, or to have caused or allowed it to be displayed;
- (c) the owner of any land or building on which any unlawful outdoor advertising sign was or is displayed, is deemed, until the contrary is proved, to have knowingly displayed such sign, or caused or allowed it to be displayed;
- (d) in possession of 10 or more identical handbills in a public place is deemed, until the contrary is proved, to be handing out such handbills; and
- (e) the owner of an advertising vehicle parked on private property but in view of a public place is deemed, until the contrary is proved, to have knowingly displayed the outdoor advertising sign on the advertising vehicle.

CHAPTER 11 MISCELLANEOUS PROVISIONS

Delegations

46.(1) Subject to the Constitution and applicable national and provincial laws, any–

- (a) power, excluding a power referred to in section 160(2) of the Constitution;
- (b) function; or
- (c) duty,

conferred, in terms of this By-law, upon the Council, or on any of the Municipality's other political structures, political office bearers, councillors or staff members, may be delegated or sub-delegated by such political structure, political office bearer, councillor, or staff member, to an entity within, or a staff member employed by, the Municipality.

(2) A delegation contemplated in subsection (1) must be effected in accordance with the system of delegation adopted by the Council in line with section 59(1) of the Local Government: Municipal Systems Act, 2000 (Act No.32 of 2000), subject to the criteria set out in section 59(2) of said Act.

(3) Any delegation contemplated in this section must be recorded in the Register of Delegations, which must contain information on the–

- (a) entity or person issuing the delegation or sub-delegation;
- (b) recipient of the delegation or sub-delegation; and
- (c) conditions attached to the delegation or sub-delegation.

Appeals

47.(1) A person whose rights are affected by a decision taken by an authorised official in terms of this By-law may appeal against that decision in terms of the Appeals provision contained in the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) by giving written notice of the appeal and reasons to the municipal manager within 21 days of the date of the notification of the decision.

(2) Where a conviction has been confirmed by a court of law and the accused wishes to appeal such conviction, the appeal must take place in terms of the court's appeal process and not in terms of subsection (1).

Repeal of laws and savings

48.(1) The laws mentioned in the first and second columns of the Schedule to this By-law are hereby repealed to the extent set out in the third column of the said Schedule.

Transitional provisions

49. (1) Any person who was authorised to display an outdoor advertising sign in terms of a permit granted by or in terms of an agreement entered into between the Municipality or a local entity which was at that time competent to grant such permit or to enter into such agreement must make application to the Municipality for a permit within six months of commencement of this By-law, failing which such authorisation shall lapse.

(2) The Municipality must publish a notice in 2 local newspapers circulating within its area of jurisdiction calling for compliance with the provisions of this By-law.

(3) Every owner of land, on which an outdoor advertising sign was erected without formal approval, before the coming into operation of this By-law, that is prohibited by this By-law and which is not a sign for which the Municipality may grant approval, must be removed within 90 days of date of commencement of this By-law.

(4) Where an outdoor advertising sign has been erected or displayed before the date of commencement of this By-law without formal approval, which in terms of this By-law, may not be erected or displayed without the approval of the Municipality, the owner of the advertisement or advertising sign must apply to the Municipality, for approval, within 90 days from the date of commencement of this By-law, failing which the advertisement or advertising sign must be removed immediately.

Short title and commencement

50. This By-law is called the eThekweni Municipality: Outdoor Advertising By-law, 2018 and takes effect on the date of publication in the *Provincial Gazette* or as otherwise indicated in the publication notice.

5. Only one flat sign per enterprise per wall may be permitted by the Municipality.

Duration of Permit

6. A locality bound sign may be displayed for a period as specified in the permit.

Content

7. A locality bound flat sign may not contain advertising matter other than exclusively directional on more than 50% of the area of any face thereof.

General

8. A flat sign displayed in urban landscapes of partial to maximum control may not exceed 50% of the visible wall surface area.

Safety

9. Any outdoor advertising sign, including its supports and frameworks, closer than 1.5m to an opening of a building must be constructed of non-combustible material in accordance with SANS 10400-T.

Design and Construction

10.(1) Any sign which is attached to a building of the height set out in Column 1 of Table 1 below, shall be so situated that no part of such sign has a depth greater than that set out in Column 2. For the purpose of such Table, the height of the building shall be measured as its vertical height above the ground at the point where the sign is to be erected.

TABLE 1	
Column 1	Column 2

Height of building	Maximum Depth of Sign
Not exceeding 17 m	9 m
Exceeding 17 m but not exceeding 34 m	12 m
Exceeding 34 m but not exceeding 43 m	14 m
Exceeding 43 m	15 m

(2) In calculating the depth of any sign in accordance with the above Table, signs placed one above the other in the same vertical plane on the same building, or tier of that building, shall be deemed to be one sign, whether or not such signs belong to different owners or are displayed under separate permits.

SCHEDULE 5: PROJECTING SIGNS

Area of Control

1. Projecting signs may be permitted in areas of partial and minimum control.

Size and Height

2.(1) Projecting signs may have a maximum thickness of 300mm.

2. The maximum permitted size of a roof sign shall depend on the area of the specific roof, the character of the building and a consideration of the urban and streetscape as a whole.

Position

3. Roof signs must be placed in such a manner so as not to interfere with the run-off of rainwater from the roof of the building or impede any building feature, element or component that relies on the direct exposure to solar radiation for its proper functioning.

Design and Construction

4.(1) Roof signs must be thoroughly secured and anchored to the building on or over which they are to be erected and all structural loads shall be safely distributed to the structural members of the building without the use of guys, stays or other restraining devices.

(2) A roof or sky sign, including all its supports and framework, shall be constructed entirely of non-combustible materials approved by the Municipality and if illuminated, shall not be placed on or over the roof of any building unless such sign, as well as the entire roof construction, is constructed of non-combustible material.

General

5.(1) Locality bound roof signs may be permitted with the consent of the Municipality.

(2) Roof signs may not obstruct the view or affect the amenity of any other building.

(3) Roof signs shall not contain advertising matter other than locality bound roof signs. A locality bound roof sign may not have more than 50% of the area of the face of the sign containing advertising matter.

(4) A roof sign may not be used for third party advertising.

SCHEDULE 7: SKY SIGNS

Area of Control

1. A sky sign may only be displayed in areas of minimum or partial control and in special advertising zones with the specific consent of the Municipality.

Position

2.(1) A sky sign may not project in front of a main wall of a building so as to extend beyond the roof of such building in any direction.

(2) A sky sign may not obstruct the view of or affect the amenity of any other building.

(3) A sky sign must be placed in such a manner so as not to interfere with the run-off of rainwater from the roof of the building or impede any building feature, element or component that relies on the direct exposure to solar radiation for its proper functioning.

Number

3. Additional remote advertising signs may not be erected on a building where approval for the display of a sky sign has been granted.

Duration of Permit

4. A locality bound sign may be displayed for a period as specified in the permit.

Safety

5. A sky sign must be properly secured and anchored to the building on or over which it is to be erected and all structural loads shall be safely distributed to the structural members of the building without the use of guys, stays or other restraining devices.

Design and Construction

6. A sky sign, including all its supports and framework, shall be constructed entirely of non-combustible materials approved by the Municipality and if illuminated, may not be placed on or over the roof of any buildings unless such sign, as well as the entire roof construction, is constructed of non-combustible material.

Content

7. The content of a sky sign is limited to advertising for branding purposes and the display of advertising campaigns is prohibited.

General

8.(1) All applications for the display of a sky sign must be accompanied by an engineer's certificate.

(2) An engineer's certificate must be submitted to the Municipality within five days of completion of the structure.

SCHEDULE 8:**VERANDA, BALCONY, CANOPY AND UNDER-AWNING SIGNS****Area of Control**

1. Veranda, balcony, canopy and under-awning signs are permitted in all areas of control.

Size and Height

2. An under-awning sign suspended below the roof of a veranda, canopy or balcony must-
- (a) be 1,8m in length, 610mm in height and 300mm in thickness;
 - (b) have a minimum thickness of 100mm; and
 - (c) have a minimum height of 2,4m above the pavement, footpath or street.
