HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as @gpw.gov.za

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [_____](#)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

NOTICE IN TERMS OF PROMOTION OF ADMINISTRATIVE JUSTICE ACT 3 OF 2000 (PAJA)

The President of South Africa, Honourable Cyril Ramaphosa having declared a National State of Disaster in terms of the National Disaster Act, 2002 on the 15th March 2020 due to the Covid 19 pandemic. This resulting in a national lockdown which has been in place since the 26th March 2020. This has had an impact in our business processes as the KwaZulu-Natal Provincial Regulatory Entity ("The Entity) and hinders on us providing the service to all public transport operators.

On the 23rd April 2020, the President of South Africa introduced the "risk assessment strategy" in his pursuit to open the South African economy. Thus in line with our legislative mandate, the National Land Transport Act No 5 of 2009 ("The Act") we have opened our offices for the public under the strict guidelines provided for in the Disaster Management Regulations which seeks to minimize the risk of the spread of infection. The impact of the pandemic on our business operation requires us to implement new business strategies to support the industry and continue to provide the service delivery. However, such interventions must be in line with our empowering provisions of the Act and its Regulations of 2009.

Section 24 of the National Land Transport Act provides that:

24 (1) Each Provincial Regulatory Entity must –

- (a) Monitor and oversee public transport in the province;
- (b) Receive and decide on application relating to operating licences for intra-provincial transport where no municipality exists to which the operating licence function has been assigned but excluding applications that must be made to the National Public Transport Regulator in terms of section 21.

Further thereto, Section 25 of the Act provides that:

25 (1) A provincial Regulatory Entity may, in appropriate cases make inquiries or hold hearings to enable it to perform its functions set out in section 24.

Thus, in complying with the foresaid provisions of the Act, the Entity holds public hearings on applications where there are objections. Presently, these hearing have been postponed owing to the pandemic and the disaster management regulations for level 3. This resulted in backlog on applications that were due to be heard before the National lockdown and our operators are severely impacted.

It is therefore against this background that the entity had to restructure and rearrange its business processes in order to continue providing service to the public whilst reducing the spread of the virus through physical contact. In doing so, the entity will adopt the following process with regards to lodging of all applications:

1. All applications will be submitted to the Provincial Regulatory Entity by email which must be a scanned version of the required documents as provided for in terms of Regulation 6 (2);

2.The following email addresses are to be used for submission of all applications:

pmbpre@kzntransport.gov.za for Pietermaritzburg Office

dbnpre@kzntransport.gov.za for Durban Office

mpangenipre@kzntransport.gov.za for eMpangeni Office

ladysmithpre@kzntransport.gov.za for Ladysmith Office

npspre@kzntransport.gov.za for Port Shepstone Office

mbazwanapre@kzntransport.gov.za for Mbazwana Office

3.The entity will give notice of all applications received by it in connection with operating licence, in the Gazette in terms of Regulation 17 (1);

4. The entity may at any time after the submission of an application, call for the original of any of the documents that were submitted electronically;
5. In terms of the Regulation 17 (4) all interested parties wishing to submit comments or make representation will do so in writing and send such comments via email kznobjections@kzntransport.gov.za . The entity upon receipt of same and in complying with the said regulations will also make the necessary arrangements for inspection of documents received by the entity regarding the said application objected to upon request by the interested party and/or legal representatives;
6. In terms of Regulation 19 (1), (2) and (3) any interested person and/or legal representative acting on behalf who has submitted comments or acting for the applicants will be advised timeously of the virtual hearing date and be allowed access to the platform; and
7. In terms of Regulation 19 (4) all decisions taken by the entity will be conveyed to all interested parties and will further be published in terms of Section 59 of the Act.

As an administrative body empowered to take decisions that are administrative in nature and in adhering to the principles of just administrative action to give effect to lawful, reasonable and procedurally fair administrative processes, the entity is calling upon all our stakeholders and operators to give comments with regard to this notice within 21 days from the date of this notice , the said comments to be in writing and be directed to the Director: Regulation and Support at Provincial Regulatory Entity, Ms NP Majola email nonhlanhla.majola@kzntransport.gov.za
