2.5 There will be no phasing in of rates based on the new valuation roll, except as prescribed by legislation and in accordance with clause 14 of this by-law.

2.6 The municipality's rates policy will be based on the following principles:

(a) Equity

The municipality will treat all ratepayers with similar properties the same.

i. it supports sustainable local government by providing a stable and buoyant revenue source within the discretionary control of the municipality; and

ii. Supports local social economic development.

(d) Cost efficiency

Rates will be based on the value of all rateable property and will be used to fund community and subsidised services after taking into account surpluses generated on trading (water, electricity) and economic (refuse removal, sewerage removal) services and the amounts required to finance exemptions, rebates, reductions and phasing-in of rates as approved by the municipality from time to time.

3. Application of By-law

3.1 Where this by-law contradicts national legislation, such legislation has preference over this by-law. The Municipal Manager shall bring such conflicts immediately to the attention of the municipality once he becomes aware of such conflicts and will propose changes to the municipality's by-laws to eliminate such conflicts.

3.2 If there is any conflict between this by-law and the Property Rates policy of the municipality, this by-law will prevail.

All relevant information, including circumstantial evidence, may be taken into consideration in an attempt to determine for what purpose the property is being used. A physical inspection may be done to acquire the necessary information.

5.4.3 The geographical area in which a property is situated may be used to assist in the categorisation of a property when the provisions of 5.4.1 can not be applied. However, the geographical area as a criterion should not be used in isolation.

5.5 Properties used for multiple purposes shall be categorised and rated as provided for in section 9 of the Act and as more fully described in clause 7.
