SCHEDULE

1. Purpose

To regulate the establishment of populations of species that may pose a threat to the biodiversity of the North West Province.

2. Definitions as per National Environmental Management: Biodiversity Act 10 of 2004 and NEMBA: Threatened or Protected Species Regulations

"alien species" means-

- (a) a species that is not an indigenous species; or
- (b) an indigenous species translocated or intended to be translocated to a place outside its natural distribution range in nature, but not an indigenous species that has extended its natural distribution range by natural means of migration or dispersal without human intervention;

"controlled environment" means an enclosure designed to hold specimens of a listed threatened or protected species in a way that –

- (a) prevents them from escaping;
- (b) facilitates intensive human intervention or manipulation in the form of the provision of –
 - (i) food or water;
 - (ii) artificial housing; or
 - (iii) health care; and
- (c) facilitates the intensive breeding or propagation of a listed threatened or protected species,

but excludes fenced land on which self-sustaining wildlife populations of that species are managed in an extensive wildlife system;

"indigenous species" means a species that occurs, or has historically occurred, naturally in a free state in nature within the borders of the Republic, but excludes a species that has been introduced in the Republic as a result of human activity;

"invasive species" means any species whose establishment and spread outside of its natural distribution range-

- (a) threaten ecosystems, habitats or other species or have demonstrable potential to threaten ecosystems, habitats or other species; and
- (b) may result in economic or environmental harm or harm to human health;

3. Schedules of wildlife species not to be imported into the North West Province or to be sold at auctions to buyers with properties in the North West Province

Schedule 1

All non-indigenous alien species of which the importation into the North West Province is prohibited, excluding domesticated water buffalo and emu.
