**Amendment of regulation 6 of the Regulations**

2. Regulation 6 of the Regulations is hereby amended by the substitution for subregulations (1) and (2) of the following subregulations:

"(1) (a) Any person who is a laboratory confirmed positive COVID-19 case and is symptomatic, must immediately seek treatment.

(b) A person who is a laboratory confirmed positive COVID-19 case and who is symptomatic must—

(i) self-isolate; or

(ii) be admitted to a health establishment for isolation, if he or she cannot self-isolate,

for a period of 7 days in accordance with the requirements of self-isolation, or isolation, unless a longer period is recommended by a medical practitioner in order to prevent transmission.

(c) If a person does not comply with the instruction or order of an enforcement officer that he or she must self-isolate, or isolate, he or she must be placed in isolation at a health facility for a period not exceeding 48 hours, pending a warrant being issued by a competent Court, on application by an enforcement officer for the purposes of isolation.

(2) A warrant contemplated in subregulation (1)(c) may be issued by a magistrate, if it appears from information on oath or affirmation by an enforcement officer that a person is a laboratory confirmed positive COVID-19 case and is symptomatic."

### **Commencement**

3. The amendment to Regulations will come into operation on publication in the *Gazette*.
