HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as [@gpw.gov.za](mailto:gpw@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at www.gpwonline.co.za
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

REQUEST FOR COMMENTS / INPUTS FROM DIRECTLY AFFECTED GROUPS IN THE MILK INDUSTRY

REQUEST FOR THE ESTABLISHMENT OF A STATUTORY LEVY IN THE PRIMARY MILK INDUSTRY IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT (ACT No. 47 OF 1996, AS AMENDED)

It is hereby made known that, in terms of section 11 of the Marketing of Agricultural Products Act, 1996 (Act No.47 of 1996) (MAP Act), the Minister of Agriculture has received a request from the milk industry for the establishment of a statutory levy.

The Milk Producers' Organisation (MPO), the applicant and a representative organisation of the primary milk industry has applied for the establishment of a statutory levy after consultation with milk farmers in South Africa. The proposed milk statutory levy is requested for a period of four years, to be promulgated early in 2025 and shall lapse four years later. Currently, the MPO is administering two other statutory measures, namely a statutory measure relating to Registration (Government Notice No. R.4359) and a statutory measure relating to Records and Returns (Government Notice No. R 4358). These two statutory measures were approved effectively from 9 February 2024 and will lapse on 8 February 2028.

The proposed statutory levies are as below:

Product description to which the levy shall apply	Collection of the levies	Levy (Vat inclusive)			
		2025/26 c/kg	2026/27 c/kg	2027/28 c/kg	2028/29 c/kg
Every litre of milk produced for the purposes of selling.	The MPO developed an interactive membership portal called MegaMilk that will be utilised for the collection of levies. All dairy farmers have already been loaded onto MegaMilk.	1.6	1.7	1.8	1.9

According to MPO, the proposed statutory levies will increase by 0.01 cent per annum from the second year until it lapses four years later in 2029.

With an estimated income of R 51,7 million in 2024/25 and R 65,1 million in 2028/29, the statutory levies will finance the following functions, namely –

- Administration cost (not more than 10% of the total levy income);
- Transformation activities (at least 20% of the total levy income) for functions focusing on enterprise development and capacity building including support services; and

Council Members: Mr. A. Petersen (Chairperson), Ms. T. Ntshangase (Deputy Chairperson), Prof. A. Jooste, Mr. S.J. Mhlaba, Ms. F. Mkile, Ms. N. Mokose, Ms. S. Naidoo, Mr. G. Schutte and Dr. S.T. Xaba.

- Generic functions (approximately 70%) for functions such as protecting the primary industry against existential risks; market expansion and development; industry information; product promotion and research / development.

The MAP Act stipulates that a statutory levy may not exceed 5% of the price realized for a specific agricultural product at the first point of sale. The maximum of 5% must be based on a guideline price calculated as the average price at the first point of sale over a period not exceeding three years. The guideline price for the proposed levies, on average, as calculated well within the 5% as prescribed by the MAP Act.

The National Agricultural Marketing Council (NAMC) took cognizance that the proposed establishment of the proposed milk statutory levies, as requested by the MPO, is consistent with the objectives of the MAP Act. The request is currently being investigated by the NAMC and recommendations in this regard will be made to the Minister in the near future.

Directly affected groups in the milk industry are kindly requested to submit any comments, regarding the proposed statutory measures, to the NAMC on or before 15 November 2024, to enable the Council to finalize its recommendation to Minister in this regard.

Submissions should be in writing and be addressed to:
