

*National Biodiversity Framework*

*January 2018*

<p>name for each ecosystem type, a description and list of associated species. Development of the classification system is being overseen by the National Ecosystem Classification Committee (NECC), which is convened by SANBI, and various subcommittees, which are working according to a five year plan, feeding into the current National Biodiversity Assessment (to be published in 2019) and the listing of threatened ecosystems in terms of the Biodiversity Act.</p>
