

	<p>2.6. The findings of the <b>Noise Specialist Assessment</b> must be incorporated into the Basic Assessment Report or the Environmental Impact Assessment Report including the mitigation and monitoring measures as identified for inclusion in the EMPr.</p> <p>2.7. A signed copy of the specialist assessment must be appended to the Basic Assessment Report or Environmental Impact Assessment Report.</p>
<p><b>LOW SENSITIVITY RATING</b> - No significant noise impact expected at the receptor.</p>	<p><b>3. Noise Compliance Statement</b></p> <p>3.1. The compliance statement must be prepared by an environmental assessment practitioner or a noise specialist.</p> <p>3.2. The compliance statement must:</p> <ul style="list-style-type: none"> <li>3.2.1. be applicable to the preferred site and the proposed development footprint;</li> <li>3.2.2. confirm that the site is of "low" sensitivity for noise impacts; and</li> <li>3.2.3. indicate whether or not the proposed development will have an unacceptable impact on the noise receptors of the site.</li> </ul> <p>3.3. The compliance statement must contain, as a minimum, the following information:</p> <ul style="list-style-type: none"> <li>3.3.1. contact details of the environmental assessment practitioner or noise specialist, their relevant qualifications and expertise in preparing the statement, and a curriculum vitae;</li> <li>3.3.2. a signed statement of independence by the environmental assessment practitioner or noise specialist;</li> <li>3.3.3. a map showing the proposed development footprint (including supporting infrastructure) overlaid on the noise sensitivity map generated by the screening tool;</li> <li>3.3.4. confirmation that all reasonable measures have been taken through micro-siting to minimize disturbance to receptors;</li> <li>3.3.5. a substantiated statement from the environmental assessment practitioner or noise specialist on the acceptability, or not, of the proposed development and a recommendation on the approval, or not, of the proposed development;</li> <li>3.3.6. any conditions to which this statement is subjected;</li> <li>3.3.7. where required, proposed impact management outcomes or any monitoring requirements for inclusion in the EMPr; and</li> <li>3.3.8. a description of the assumptions made and any uncertainties or gaps in knowledge or data as well as a statement of the timing and intensity of site inspection observations.</li> </ul> <p>3.4. A signed copy of the compliance statement must be appended to the Basic Assessment Report or Environmental Impact Assessment Report.</p>
